HENDERSON'S
BULB-BARGAINS

FOR THOSE WHO PLACE THEIR ORDERS
 • THIS SPRING •
 FOR SHIPMENT DURING SUMMER AND FALL

EVERYTHING TO GAIN--NOTHING TO LOSE
 by placing your order NOW. Should anything be offered
 later, by us, at a lower price
 WE WILL GIVE YOU THE LOWER RATE

Peter Henderson & Co.
 35 & 37 CORTLANDT ST., NEW YORK.

HENDERSON'S SUPERIOR BULBS

for

Autumn Planting

1906

May we book your order

NOW

For Shipment as Bulbs arrive during
Summer and Fall?

Orders placed with us early enable us to estimate our requirements more closely, and by including your order with ours, for importation, we can afford to sell you at lower rates than in the Autumn, for the reason that when importing on a certainty, we take less risk in having a surplus left. Should we be able to offer anything at a lower rate later in the season we will give you the benefit.

Thus you have everything to gain and nothing to lose
by ordering NOW.

We are the largest Importers, Dealers and Growers of Bulbs in America, and handling the unusually large quantities that we do, and being experienced Forcers and Growers ourselves, we are in consequence enabled to select superior stock at advantageous prices, allowing us to offer Superior Bulbs at reasonable rates.

REMEMBER....

THE PRICES OF OUR BULBS INCLUDE

PACKING AND CARTAGE and placing free on board cars or boat in New York. You have no duty, ocean freight from Europe, custom house nor brokerage expenses to pay.

THE NUMEROUS AND FAST TRAINS to all parts of the U. S. from New York, give us pronounced advantages for prompt and rapid shipping at low freight rates.

WE RESERVE THE RIGHT TO ADVANCE PRICES on any Bulbs, Roots, Plants or Seeds, before acceptance of order, should crop prospects, injury in transit, or any unusual conditions prevail to indicate a serious shortage.

TERMS:

To parties of approved credit, accounts are payable net on June 1st and December 1st for goods invoiced between these dates, or 3 per cent. can be deducted for payment within 30 days from date of invoice, or 5 per cent. for remittance with the order or before shipment.

We Deliver all Bulbs and Roots—properly packed and in good condition—into the hands of transportation companies. After that our responsibility ceases. Consignee then assumes all risks of heating, freezing, and delays.
—P. H. & CO.

PETER HENDERSON & CO. give no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds, bulbs or plants they send out, and they will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

SPECIAL NOTICE ABOUT TIME OF SHIPMENT.

When you order, please state if you wish your bulbs to be shipped as they are ready, or if we shall hold, and make one or more shipments. In absence of contrary instructions, we forward the "Early Bulbs" as soon as they are ready—we term this our "August Shipment"—this would include *Lilium Harrisii* and *Candidum*, *Freesias*, *Roman* and other French *Hyacinths*, *Paper white* and *Double Roman Narcissus*, *Ornithogalum*, forcing *Anemones*, *Alliums* and *Callas*.

Our "September Shipments" includes the general line of Dutch bulbs, such as *Hyacinths*, *Tulips*, *Narcissus*, *Crocus*, *Lilium Longiflorum*—if ready, etc.

Our "November Shipments" includes *Lily of the Valley*, *Spirea*, *Gladoli*, *Tuberoses*, *Paeonias*, *Amaryllis*, the late *Lilies*, etc., etc.

EASTER SUNDAY, 1907, COMES ON MARCH 31st.

HENDERSON'S SUPERIOR

Early "Roman" Hyacinths.

THE flowers, while smaller than those of the Dutch Hyacinth, yet are produced in much greater abundance—each bulb bearing several very graceful flower spikes. The delicious perfume, earliness and profusion of bloom have made Roman Hyacinths exceedingly popular; they are so easily grown and so early that if potted in August and September they can be brought into flower in November and December, and a succession can be had in bloom throughout the winter. Roman Hyacinths are not considered hardy enough for open-ground culture north of Washington, though in our grounds near New York they have proven perfectly hardy, slightly protected. For cutting purposes the Roman Hyacinth is the finest bulb grown. (See cut.)

What Florists Think of *

Henderson's Superior Roman Hyacinths.

"I ordered Roman Hyacinths of you in the fall and must say I never finer bulbs. Some of them had as many as fifteen, and a few had seventeen spikes of flowers." J. O. CRABB, Cedartown, Ga.

"Your Roman Hyacinths turned out very satisfactory, as always. Send us prices for this season's bulbs and we will send you our order." GRALLERT & CO., Colma, Cal.

"The Roman Hyacinths you sent me last fall forced grand." C. N. JOHNSON, Louisville, Ky.

"Dutch Roman" or Pan Hyacinths.

There are some varieties of Dutch Hyacinths that throw good flowers from bulbs no larger than those of French Romans. These are known in the trade as "Dutch Romans," and they are becoming more popular every year with florists for forcing for cut flowers and for growing in pans for sale. The bulbs may be planted quite close together. The early sorts may be flowered but little later than French Romans and a continuous supply may be kept up from January to May. The flowers are finer than those of French Romans, the spikes and bells being larger and of better substance lasting longer either on the plant or when cut.

All varieties of Dutch Hyacinths do not flower equally well from small bulbs, so our grower has made a selection of some of the best which we offer below; size of bulbs 13 to 15 centimeters.

Prices of "Dutch Roman" Hyacinth Bulbs.

HENDERSON'S SUPERIOR

NAMED DUTCH HYACINTHS.

Of these we offer two sizes of bulbs. Our first size are selected bulbs, not "seconds," so often sent out as firsts at a lower price.

Our "XX" or Exhibition Bulbs.

To meet the requirements of a few customers who are Hyacinth fanciers, and want the very largest and finest bulbs regardless of price, to enable them to produce superior flowers in pots or glasses for exhibition, we have arranged with our Holland growers to pick out at a fancy price a limited quantity of the very biggest bulbs harvested of each of the named varieties we offer. We call these our "XX" or exhibition bulbs.

In ordering this superlative grade of Hyacinth Bulbs, be sure to prefix the variety selected with a "XX."

HENDERSON'S SPECIAL Bedding and Forcing Hyacinths

These bulbs are of a much larger size than those put in ordinary mixtures. They are of the same age as the first size Fancy Named Hyacinths offered by us on page 4, from which these are the second selection. They will produce fine spikes of bloom, and each sort as offered below, being of one shade of color and blooming at one time, render them of great value for forcing and bedding out, especially in designs, enabling one to obtain the exact color effect desired, which is a great advantage over mixed reds, mixed blues, etc., at but a slight advance in price over ordinary mixtures.

"The Henderson Special Hyacinths I obtained from you were more than satisfactory. The four dozens planted outside were in full bloom by the middle of February. Every spike was fine and full."

Mrs. G. A. BUCKINGHAM, San Francisco, Cal.

"Mrs. Ellis and myself are much pleased with the Henderson Special Hyacinths you sent us last fall; they are very beautiful and we have had them in bloom now over two months, the house being constantly filled with their delicious perfume."

JOHN ELLIS, Chatham, N. B., Canada.

MIXED SINGLE EARLY TULIPS.

Single Early Special "Rainbow" Mixed, from bright colored named sorts, all blooming together and of uniform height.

Price, 15c. per doz.; 85c. per 100; \$7.00 per 1000.

Single Mixed "Standard" or First Quality.

Price, 12c. per doz.; 75c. per 100; \$5.00 per 1000.

HENDERSON'S SUPERIOR SINGLE EARLY- FLOWERING TULIPS.

For Forcing and Bedding.

Our bulbs of Tulips are the very best flowering bulbs procurable; we handle largest "First Size" exclusively. No "seconds" at a cheaper price ever enter our house.

To aid in arranging beds.—The figures 1, 2, 3, etc., following varieties, indicate their earliness of bloom; the 1's flower together and are the earliest; 2's follow before the 1's are out of bloom, etc. The height is indicated by "D" for dwarf; "M" for medium; and "T" for tall.

Late or May-Flowering

Garden Tulips.

After some years of comparative neglect, late flowering garden Tulips are now on the rising tide of popularity.

LATE FLOWERING GARDEN TULIPS do not supplant early Tulips, they are not adapted for forcing, nor for design bedding, for late Tulips would not be out of the way in time for summer bedding plants; but for mixed gardens, herbaceous borders, sunny positions in proximity to shrubbery etc.—where these late Tulips need not be disturbed, they will prove a source of great satisfaction, being very hardy, continuing to grow, increase and flower for many years—conditions being at all congenial—many of the varieties having been collected from the cottage gardens of England, Scotland and Ireland, where they have been growing in some cases for 50 years. They should be planted an inch or two deeper than early Tulips, and best effects are secured by planting them in large clumps or groups. They may also be naturalized in the grass, wild gardens, etc. During May they present a gorgeous appearance; the flowers of most of them being very large, of durable substance, beautifully formed and borne on tall stiff stems, rendering them of exceptional value when cut for vases.

“ Polyanthus ” ” ” ”20	1.25	10.00

NARCISSUS, PAPER WHITE

"Grandiflora," or Large Flowering.

This large flowering type is such an improvement over the ordinary "Paper White" that we have discontinued offering the latter. The "Large Flowering" is more vigorous and earlier, producing purest snow white flowers of large size and good substance in large trusses. It is perhaps more largely used for early forcing for cut flowers than any other kind of bulb, being brought in without difficulty by Christmas, and if required even much earlier.

Price of extra sized bulbs, 25c. per doz.; \$1.25 per 100; \$9.00 per 1000.

PAPER WHITE GIANT MULTIFLORA.

Said to be the finest type of the Paper Whites, extra strong growing, largest flowers of superior substance in immense clusters. Price, extra size bulbs, 30c. per doz.; \$1.50 per 100; \$12.00 per 1000.

"The Paper White Grandiflora Narcissus I bought of you last fall have turned out superb."

JOSEPH H. SPERRY, Florist, Clinton, Conn.

CHINESE SACRED NARCISSUS.

Very popular for growing in bowls of water. Large Chinese grown bulbs (importation expected in September).

PRICES.	Doz.	100	Original basket of 30 bulbs.	Original
				bundle of 4 baskets
First size bulbs.....	\$.60	\$4.00	\$1.25	\$4.75
Mammoth bulbs.....	1.00	6.50	2.25	7.50

HENDERSON'S GIANT CHRISTMAS FORCING LILY OF THE VALLEY.

The finest grade of Lily of the Valley in the world for early winter flowering. They will bear twelve to sixteen large bells on strong stalks, with foliage even when forced for extra early; they are equally superior for later or successional crops. The pips average large, plump and regular, with extra long roots. Read what our customers think of them.

"The Christmas Valley I had from you were very fine—better than any I have handled in 18 years' experience, and I have kicked myself because I did not order more. Will want a large quantity next season; can't compete nowadays unless you have something a little better than the other fellow—and the extra price received more than pays the difference in cost between No. 1 stock and ordinary, and there is a satisfaction outside of dollars and cents that goes a long way." S. A. E. LYMAN, Essex Greenhouses, Coe Ridge, O.

"We see from the style of bloom that you have a fine strain of Lily of the Valley and you may book us for 30,000 pips for fall delivery."

A. S. MACBEAN, Lakewood, N. J.

PRICES OF LILY OF THE VALLEY PIPS.

Expected for Shipment Early in November.

HENDERSON'S GIANT CHRISTMAS FORCING described above, \$2.00 per 100, \$15.00 per 1000, \$35.00 per case of 2,500 pips.

HENDERSON'S LARGE EARLY FLOWERING BERLIN, extra size—3 years old—sand-grown pips for early forcing—can be flowered with foliage by the holidays if needed. \$1.75 per 100, \$12.00 per 1000, \$28.00 per case of 2,500 pips.

HENDERSON'S LARGE FLOWERING HAMBURG. The florist's standard sort for flowering after Jan. 1st—3 year old sand-grown pips. \$1.50 per 100, \$10.00 per 1000, \$23.50 per case of 2,500 pips.

LILY OF THE VALLEY CLUMPS.

Large clumps for open ground planting 20c. each, \$2.00 doz., \$16.00 per 100.

WHITE CALLAS.—DRY BULBS.

(Expected for shipment in September. A limited supply of Bermuda grown Callas expected in August.)

The dry bulbs are superior for forcing purposes, as they come into bloom quickly and require less room—making less foliage. Dry bulbs planted in 4-inch pots will flower nearly twice as abundantly as plants in 6-inch pots that have been kept growing or only semi-dormant.

PRICE OF DRY CALLA BULBS.	Doz.	100	1000
Mammoth Bulbs, 6 ins. circ. and over.....	\$1.25	\$9.00	\$85.00
Extra Size, 5 " "	1.00	7.00	65.00

For other varieties of Callas, see page 16.

Six bulbs of one variety sold at dozen rates; 25 at 100 rates; 250 at 1,000 rates. Postage will be extra on bulbs wanted by mail.

SPIREA OR ASTILBE....

LARGE IMPORTED CLUMPS SUITABLE FOR FORCING.

(For Shipment in November.)

	Doz.	100	1000
Astilboidea Floribunda. A great improvement. It is dwarfer in habit, earlier and more profuse in bloom than Spiraea Japonica. As a Florist's market plant, and for forcing for cut flowers, it is unrivaled.....	\$75	\$5.00	\$45.00
Japonica. The old favorite for winter forcing.....	.75	4.50	40.00
Gladstone. A new, large flowering Spiraea—an improvement over all other white-flowering Spiraeas—and one of the most beautiful winter and spring flowering pot plants grown; the immense trusses of flowers are as white as snow, and are borne on erect, strong stalks 18 inches high. Well-grown plants bear 25 to 40 of these plume-like trusses, practically enveloping the plant with a feathery foam.....	1.00	7.50	70.00

..Spiraea Gladstone..

FREESIA REFRACTA ALBA.

(Ready for Delivery in August.)

Popular bulbs, flowering in the winter and spring. They force readily and can be had in bloom by Christmas if desired and a continuous display of bloom may be kept up through the winter by proper handling. The flowers are produced 6 to 8 on stems about 9 inches high, and are particularly useful for cutting, remaining in good condition if kept in water for two weeks.

Mammoth Bulbs, $\frac{1}{2}$ in. up, \$1.25 per 100, \$10.00 per 1000.

Extra Size Bulbs, $\frac{1}{2}$ in. up, 60c. per 100, \$5.00 per 1000.

The smaller trade size ($\frac{3}{8}$ inch) we no longer offer.

NEW GIANT WHITE FREESIA.

"SNOWSTORM."

A distinct and greatly improved type producing large sprays of purest snow white flowers of immense size and deliciously fragrant; it is very free blooming and of great value for forcing for cut flowers. The foliage is narrower and less coarse than that of ordinary strains. Price, 25c. doz., \$1.50 per 100, \$12.00 per 1000.

NEW FREESIA, FISCHER'S "PURITY."

Genuine stock direct from Mr. Fischer. First size bulbs, 40c. doz., \$3.00 per 100, \$25.00 per 1000.

HENDERSON'S SUPERIOR LILUM HARRISII

THE TRUE BERMUDA EASTER LILY (LILUM HARRISII.)

Henderson's Superior BERMUDA EASTER LILY

(LILUM HARRISII.)

The TRUE Bermuda Easter Lily is our Great Specialty. We were the pioneer introducers of it and have always been "Headquarters," supplying the trade generally, both in Europe and America.

We wish to lay particular stress upon the size and quality of our Bulbs which are larger, healthier and better than those usually sold—for the reason that no expense is spared in manuring and cultivating. Experience having shown us that bulbs so treated are incomparably superior to bulbs grown on impoverished and unfertilized land year after year, which constitutionally weakens the bulbs and they give results accordingly.

PRICES OF THE TRUE BERMUDA EASTER LILY BULBS.

Bulbs Ready for Shipment—August to November.	Doz.	100	1000
First Size Bulbs. (5 to 7 inches in circumference.) The best for "Earliest" forcing and particularly for cutting with long stems. Bulbs should produce from 4 to 6 flowers.....	\$.50	\$3.75	\$34.00
Intermediate Size. (6 to 7 inches in circumference.) These are good bulbs for either pot culture or for cut flowers. The bulbs should produce from 6 to 8 flowers.....	.75	4.25	39.00
Extra Size Bulbs. (7 to 9 inches in circumference.) This is the most popular size to grow as pot plants for decoration and equally as valuable for cutting. Bulbs should produce from 12 to 18 flowers.....	1.00	7.00	68.00
Monstrous Size Bulbs. (9 to 11 inches in circumference.) These are usually grown for specimens in pots, for exhibition and decoration. Each bulb should produce from 12 to 18 flowers.....	2.00	16.00	

"WHAT FLORISTS THINK OF HENDERSON'S EASTER LILY BULBS

"Please ship us 1000 *Lilium Harrisii* bulbs—6 to 7 inch size. We are giving you this order on the strength of getting bulbs equal in health to those we got from you last year, which produced the finest plants we had last season."

CLARK BROS., Florists, Portland, Oregon.

"We have been more successful with your *Harrisii* bulbs than have any of the other florists in the vicinity of Wheeling with bulbs from other sources."

OSCAR WRIGHT, Moundsville, W. Va.

"I have been growing your *Harrisii* bulbs for several years. Last season I divided my order, placing one half with you and the other half with another prominent seedsman. Yours were the true *Bermuda Harrisii*, while the others were badly mixed with a worthless variety which grew to enormous height with a very small flower. Your half were all of an even size with flowers of an excellent quality. I had the honor of having the finest Lilies in Pittsburgh from your bulbs. There were but few of your plants diseased—probably 50 in the whole batch of 6,000 bulbs. You will have my full order next season."

WM. F. LAUCH, Florist, Carrick, Pa.

The bulbs from you last season were very satisfactory. The *Lilium Harrisii* were especially good, averaging 5 to 10 flowers per stem—and the flowers were very fine."

WM. S. WILSON, Concord, N. H.

"I got 100 *Harrisii* Lily Bulbs from you last year and 99 of them bloomed all right, they were a nice lot."

WILLIS E. HAMILTON, Florist,

Belfast, Maine.

"You may book my order for 7 to 9 inch *Lilium Harrisii*. Those from you this year were fine."

E. HAENTZE, Florist,

Fond du Lac, Wis.

"I do not hesitate to say that the lot of *Harrisii* I bought from you this season are the best I received for a number of years. They are the nicest looking plants that I have seen anywhere, and I am glad that it is so, as this was the first time I got my *Harrisii* from you and which will assure you of getting further orders."

CHRIS BESOLD, Florist, Mineola, L. I.

"I am well pleased with the *Harrisii* Lilies I got from you; they are the best I have had in 10 years."

H. A. MAXINER, Port Jervis, N. Y.

Longiflorum Multiflorum

Henderson's Superior Northern Grown

...LILUM CANDIDUM...

(Ready in August.)

Our Lilium Candidums are the thick, broad-petaled type so superior to the narrow-petaled south of France stock. The bulbs are plump, heavy and healthy.

This popular, fragrant, snow-white, hardy garden Lily is also known as "Annunciation Lily," and "Madonna Lily." It grows 3 to 4 feet high, and blooms in the open ground in June. When grown in bold masses or in rows these lilies are especially effective, the brilliancy of their snow-white flowers against surrounding greenery of shrubs, grass and trees is very telling. This lily dislikes being coddled, thriving best when it can remain undisturbed for years in good garden soil.

Price, 8 to 9 inch bulbs, 50c. doz.; \$4.00 per 100; \$36.00 per 1000.
 " 9 to 12 inch bulbs, 60c. doz.; \$4.50 per 100; \$40.00 per 1000.

LILUM AURATUM

The Golden Rayed Lily of Japan.

(Importation Expected in October.)

	Each.	Doz.	100
The most popular hardy garden Lily grown. The flowers are pure white, thickly studded with crimson spots, while through the centre of each petal runs a clear golden band. Fully expanded the flowers measure nearly a foot across, are produced abundantly from June to October, and possess a most delicious fragrance. 3 to 5 feet.			
First size bulbs, 8 to 9 inch.....	\$.08	\$.85	\$ 5.50
Extra Large bulbs, 9 to 11 inch.....	.12	1.25	9.00
Mammoth bulbs, 11 to 13 inch.....	.20	2.00	15.00

(FOR OTHER LILIES, SEE PAGE 19.)

HENDERSON'S SUPERIOR JAPAN EASTER LILY BULBS (LILUM LONGIFLORUM.)

For shipment last of September or early in October to December.

The imported Japan grown bulbs of *Lilium Longiflorum* as they arrived in this country up to two or three years ago—were usually a mixture of various types, including early flowering, later flowering, tall, dwarf, narrow leaved, broad leaved, green stemmed, red stemmed, black stemmed, small flowered, large flowered, etc. Agreeable to our persistent solicitation, our growers commenced to separate the desirable types, and discarded those unsuitable for Florists' use. So that this year we are able to offer only the best forcing strains of Japan grown longiflorum which our growers say will come 90% true though we cannot guarantee it. Of course, on account of the later arrival of the bulbs they cannot be forced into flower as early as the Bermuda type *Lilium Harrisii*, but for late winter and spring flowering the Japan grown bulbs are very popular on account of their low price. Some florists think the flowers from the Japanese bulbs are superior in size and substance to those of *Lilium Harrisii*, but we think the cool, slower forcing of the Japanese bulbs accounts for this.

In ordering, be careful to state which strain of *Lilium longiflorum* is wanted. In absence of such information *L. Longiflorum Eximium* will be sent.

Longiflorum Eximium. Well-known, beautiful, snow-white, fragrant, hardy garden Lily; flowers trumpet-shaped, 6 to 8 inches long. This is also a splendid variety for forcing for winter flowers and is also known as the "Easter or St. Joseph Lily."

	Doz.	100	1000
6 to 8 inch bulbs.....	\$.40	\$3.00	\$28.00
7 to 9 inch bulbs.....	.60	4.50	42.00
9 to 10 inch bulbs.....	1.00	7.50	72.00

Longiflorum Multiflorum. This type blooms in Japan about ten days earlier than *Eximium*. The stem is tall, leaves narrow and the plant a little more slender.

	Doz.	100	1000
6 to 8 inch bulbs.....	.50	3.50	30.00
7 to 9 inch bulbs.....	.75	5.00	45.00
8 to 10 inch bulbs.....	1.00	7.00	65.00

Longiflorum Giganteum. This type flowers in Japan about a week later than *L. Eximium*, but the flowers are of larger size, perfect form and of superior substance; stems marked black.

	Doz.	100	1000

SPECIAL IMPORT OFFER OF AZALEAS.

(Expected for Shipment about October 20th.)

We offer for delivery in the Fall of 1906, f.o.b. New York City, Indian Azaleas, double and single, all named varieties, leading market kinds, shapely plants, well headed, at the prices quoted below. This is a *specially low import offer*, and your early order is solicited. Azaleas are growing in favor yearly, as the great demand this season proves. It is to your interest to order now and take advantage of the low prices we offer.

They are shapely specimens, and will make splendid plants for winter and spring decoration. These plants will be carefully packed and can be safely sent by freight in the fall to any part of the country. We offer the following varieties: Mme. Van der Cruyssen, Niobe, Deutsche Perle, Mme. C. Van Langenhove, Vervaeneana, Empress of India, Helen Thielman, and Simon Mardner.

ORDER AT ONCE TO SECURE THESE RATES.

	Per doz.	Per 100.
10 to 12 inch heads.....	\$4.50	\$35.00
12 to 14 "	6.00	45.00
14 to 16 "	7.00	55.00

Specimen plants, 18-inch, \$15.00 per doz.; 20-inch, \$2.50 each; 24-inch, \$4.00 each.

We will supply 25 per cent. of the orders with Mme. Van der Cruyssen or whites if requested.

NOTE.—Above prices include all charges for packing, cartage, duty, foreign freight, etc. They are f.o.b. N. Y. City.
